The Chair opened the meeting expressing his concerns about the new changes to the committee's charge. The meeting immediately went into open discussion with a screen share showing the December 17, 2021, UC Irvine Delegation of Authority changes under IDA634. Many perspectives and opinions were shared by the committee members. Some of the members were displeased. Some were in acceptance, if the duties can be confirmed to have been taken over at the individual unit's levels. The committee's purpose and longevity remain unclear. Additional investigations to take place by the Chair before the next meeting.

Meeting adjourned at 2:45 PM.

The upcoming meeting is scheduled for May 4 at 3:15-4PM.
